Mr. Sebastiano Passaniti  
Application No, 10/614,579  
Art Unit: 3711

Hi Mr. Passaniti,

I hope all is well with you!

I amended all the claims as well as the abstract.

If you have a problem with what I did please let me know and I will correct it.

Also Mr. Passaniti I filed a request under MPEP allowing you to write a claim if you deem necessary.

I would also like to mention the Prior Art, only to say the club heads are manually Adjusted to give the golfer a variety of different lofts to choose from when playing a game of golf. They are not designed to rotate at impact.

Best Regards! Jerry Trainello
